

Love Square One – Proof & Engraving Disclaimer

Love Square One will make every effort to reproduce your logo or design as shown in this proof. Please note:

- This proof is a digital mock-up. Actual engraving may vary in size, scale, and placement.
- Engraving on curved or rounded surfaces may look slightly different than the flat proof.
- The engraving process removes the top coating/paint and etches into the glass, producing a frosted or whiteish color. This is not ink or paint.
- Small variations in shading, alignment, or finish are expected and are not considered defects.

By approving this proof, you agree to these conditions.
